Tubercle

Sponsored by the International Union against Tuberculosis and Lung Disease

Volume 70 Contents 1989

Leading Article

The rapid diagnosis of paucibacillary tuberculosis 1
J. M. Grange

Original Articles

Tuberculosis in Kenya 1984: A third national survey and a comparison with earlier surveys in 1964 and 1974 5
A Kenyan/British Medical Research Council Co-operative Investigation

The control of chronic infectious patients with pulmonary tuberculosis in a rural area of China 21
L. X. Zhang, G. Q. Kan, J. C. Wu, C. W. Liu, Y. S. Dai, F. X. Sun

Skin test responsiveness to a series of new tuberculins of children living in three Vietnamese cities 27
H. M. Ly, D. D. Trach, H. T. Long, N. K. Thuy, N. A. Tuan, Tran Thi Ninh, J. L. Stanford, J. T. Hendriks, E. P. Wright

Detection of mycobacterial antigens in cerebrospinal fluid by enzyme-linked immunosorbent assay 37
C. H. Wu, M. C. Fann, Y. J. Lau

Drug resistance of *Mycobacterium tuberculosis* isolated from treated patients in Pakistan 45
A. Aziz, S. H. Siddiqi, K. Aziz, M. Ishaq

Broth culture: the modern "guinea-pig" for isolation of mycobacteria 53
T. Martin, D. Cheke, I. Natyshak

Short Reports

Severe 'flu-like symptoms due to isoniazid—a report of three cases 57
S. Motion, M. J. Humphries, Sr. M. Gabriel

Internuclear ophthalmoplegia in tuberculous meningitis 61
R. Teoh, M. J. Humphries, J. C. N. Chan, H. K. Ng, G. O'Mahoney

An unusual manifestation of tuberculous hypersensitivity 65
A. Vermani, A. Agarwal, M. V. Muraḷi, P. U. Iyer

Addisonian crisis induced by treatment with rifampicin 69
E. G. Wilkins, E. Hnizdo, A. Cope

Book Review 74

Selected list of publications 75

Leading Article

The treatment of tuberculous meningitis 79
M. Parsons

Original Articles

Tuberculin survey among Afghan refugee children. Tuberculosis control programme among Afghan refugees in North West Frontier Province (NWFP) Pakistan 83
S. Spinaci, G. De Virgilio, M. Bugiani, D. Linari, G. Bertolaso

Isoniazid-related hepatotoxicity: a study of the effect of rifampicin administration on the metabolism of acetylisoniazid in man 93
P. J. Jenner, G. A. Ellard

Relationship between radiological classification and the serological and haematological features of untreated pulmonary tuberculosis in Indonesia 103
M. Caplin, J. M. Grange, S. Morley, R. A. Brown, M. Kemp, J. A. Gibson, T. Kardjito, V. Hoeppner, J. Swanson Beck

Slide culture sensitivity tests 115
J. M. Dickinson, B. W. Allen, D. A. Mitchison

Local anti-P32 humoral response in tuberculous meningitis 123
J. P. Van Vooren, C. M. Farber, E. Noel, N. Mavroudakis, M. Turneer, J. De Bruyn, F. Legros, J. C. Yernault

Position Paper

Tuberculosis control in refugee settlements 127
H. L. Rieder, D. E. Snider, Jr., M. J. Toole, R. J. Waldman, J. Leowski, H. G. ten Dam, K. Styblo, M. Gabaudan, M. Tailhades

Short Reports

Pulmonary disease caused by *Mycobacterium gordonae* 135
J. de Gracia, R. Vidal, N. Martin, C. Bravo, T. Gonzalez, A. Riba

Drug resistant tuberculous meningitis in the Philippines: report of a case 139
G. Watt, J. B. Selkon, S. Bautista, L. W. Laughlin

Abdominal tuberculosis in pregnancy 143
O. Freeman

Attempted suicide following treatment with isoniazid 147
A. Madan, N. K. Jain, T. N. Sharma, D. K. Sharma, R. Madan

Letters to the Editor 151

Selected list of publications 153

Erratum 158

Original Articles

Genetic transformation of BCG 159
L. Lugosi, W. R. Jacobs Jr, B. R. Bloom

Peripheral blood T lymphocyte subpopulations in patients with tuberculosis and the effect of chemotherapy 171
M. Singhal, J. N. Banavalikar, S. Sharma, K. Saha

Tuberculosis in British Columbia among immigrants from five Asian countries, 1982–85 179
J. S. Wang, E. A. Allen, C. W. Chao, D. Enarson, S. Grzybowski

Results of blood cultures for detection of mycobacteria in AIDS patients 187
C. Truffot-Pernot, H. F. Lecoeur, L. Maury, B. Dautzenberg, J. Grosset

Tuberculin sensitivity and an interaction of leucocyte and plasma factors involving fibrinogen 193
M. R. Salaman, J. Robinson, M. W. Rampling

Activity of rifabutin alone and in combination with clofazimine, kanamycin and ethambutol against *Mycobacterium intracellulare* infections in mice 201
H. Saito, K. Sato

Resistance to antituberculosis drugs in Riyadh, South Arabia 207
I. O. Al-Orainey, E. S. Saeed, F. A. El-Kassimi, N. Al-Shareef

Short Reports

Ethambutol-induced thrombocytopaenia 211
R. Prasad, P. K. Mukerji

Tuberculous polyradiculopathy: the value of magnetic resonance imaging of the neck 213
D. F. Smith, F. W. Smith, J. G. Douglas

***Mycobacterium simiae* as a cause of intra-abdominal disease: a case report** 217
B. J. Heap

Book Review 223

Selected list of publications 224

Original Articles

Treatment of pulmonary tuberculosis with short course chemotherapy in South India—5-year follow up 229
T. Santha, O. Nazareth, M. S. Krishnamurthy, R. Balasubramanian, V. K. Vijayan, B. Janardhanam, P. Venkataraman, S. P. Tripathy, R. Prabhakar

Long-term status of children treated for tuberculous meningitis in South India 235
P. Ramachandran, M. Duraipandian, A. M. Reetha, S. M. Mahalakshmi, R. Prabhakar

A contact study to evaluate the BCG vaccination programme in Seoul 241
B. W. Jin, Y. P. Hong, S. J. Kim

High initial drug resistance in pulmonary tuberculosis in Ghana 249
T. S. van der Werf, D. G. Groothuis, B. van Klingeren

The beige mouse model for *Mycobacterium avium* complex (MAC) disease: optimal conditions for the host and parasite 257
P. R. J. Gangadharam, V. K. Perumal, D. C. Farhi, J. LaBrecque

Total and anti-mycobacterial IgE levels in serum from patients with tuberculosis and leprosy 273
A. J. Yong, J. M. Grange, R. D. Tee, J. Swanson Beck, G. H. Bothamley, D. M. Kemeny, T. Kardjito

The value of routine bronchial aspirate culture at fibreoptic bronchoscopy for the diagnosis of tuberculosis 281
M. Ip, P. Y. Chau, S. Y. So, W. K. Lam

Antibodies to mycobacteria in healthy and tuberculous badgers from two English counties 287
Karen Stainsby, K. H. Mahmood, J. L. Stanford

Occasional Survey

Tuberculosis in China 293
K. P. Goldman

Short Reports

Genitourinary infections caused by mycobacteria other than *Mycobacterium tuberculosis* 297
R. Clark, L. Cardona, G. Valainis, B. Hanna

Pulmonary disease due to *Mycobacterium terrae* 301
D. J. Palmero, R. I. Teres, K. Eiguchi

Multiple tuberculous bone lesions simulating metastatic disease 305
L. P. Ormerod, M. Grundy, M. A. Rahman

Selected list of publications 309
